

Back the Bend 2022

Back the Bend 2022 is the 11th time that the University of Notre Dame has partnered with the South Bend community and other local colleges and universities to conduct a day of services. In its best year, over 600 volunteers participated in this day of service.

We believe it is everyone's place to contribute to and meet members our community. Our slogan, "Together, It's Our Place," speaks to this belief and emphasizes the importance of collective action to build and maintain a flourishing community. This necessitates more than one day of service, but in coming together to accomplish meaningful projects, we strive to encourage relationships and partnerships that last far beyond this single day.

South Bend Bike Garage is participating in [Back the Bend](#) on **April 2, 2022**. Student volunteers will come to **909 Portage Avenue** to help clean and repair bikes, take an inventory of parts, and spring clean. Join us!

- ❖ If you know a student attending **Notre Dame, St. Mary's, Holy Cross, IUSB, Bethel University, or Ivy Tech**, please encourage them to participate! [Students can click here to see and sign up for service opportunities.](#)
- ❖ If you are an **experienced bike mechanic** or handy with tools, please come sometime **between 10:30 – 2:30** to help repair donated bikes. Please bring your own work stand and tools if you have them.
- ❖ We are looking for a couple of helpers to **come around 11:00 and set up a snack + drink table** for our volunteers. Contact the SBBG for more information.
- ❖ **Take a tour of the SBBG from 12 – 3 pm.** We are expanding operations in 2022. Come find out how you can help us GROW!
