

Thanks for supporting the KID ZONE at Arts Café! Each year 500 to 600 folks come through to do crafts, face painting, and active games. We even have a Small Fry Station for kids under 6. Visit www.ArtsCafe.org to see some scenes from years past.

Anything you can donate will help us stretch our budget to serve more families. Please contact me to arrange details for drop off/pick up. Your generosity is sincerely appreciated!
